Month Preferred: Circle One: May June July August September

What is motivating you to pursue a One-Month Experience at the OFS?

What kinds of tasks are you hoping to engage in during a One-Month Experience?

What life experiences have you had that prepare you for field work?

You will be expected to be in the field 8 hours a day, M-F with some weekend tasks. This will be physical work, taking place in all kinds of weather. How will you prepare for this?

How do you hope to apply what you learn during a month at the OFS?

List three references (name, relationship to you, phone number) that can speak to your physical ability to engage in this experience as well as your work ethic and ability to work with a diverse team.

The \$750 fee is due two weeks before the start of your One-Month Experience. Should you be accepted, are you prepared to pay this fee?
